A Dream that a Prophetic Educationist Visualized !

A Prophetic Educationist Karmaveer Bhausaheb Hiray dreamt of providing meaningful education to the tribal, downtrodden, backward and under privileged community with the purpose of social upliftment, reformation and welfare of the society.

To fulfil this dream he worked with missionary zeal to create higher moral and humanitarian values among students and develop the social environment for attaining high ethical standards. Hence we promote the all round development of the students by organizing extra curricular activities along with the curriculum of the university.

We efficiently impart knowledge and inculcate virtues such as dignity of labour, work ethics and commitment to the society.

In order to expand the educational network in rural realm, Karmaveer Bhausaheb Hiray had a dream to establish a university for rural students. His vision to create ideal citizens is our chief mission and we strive towards the fulfilment of his aspirations, longing and hopes.

Late Karmaveer Bhausaheb Hiray

About Mahatma Gandhi Vidyamandir

The Mahatma Gandhi Vidyamandir is a distinguished and renowned Educational Institute in Maharashtra and has done pioneering work in the field of education. The institute has been registered under Society's Registration Act of 1860 and Bombay Public Trust Act of 1950.

Mahatma Gandhi Vidyamandir was established on 2nd October 1952 by Founder, Late Karmaveer Bhausaheb Hiray, the Sculptor of Modern Maharashtra, a Staunch Freedom Fighter, Pioneer of Tenancy Act and Cooperative Movement and Former Revenue Minister of the then Bombay Province. He founded two Educational Institutions 'Adivasi Seva Samiti' and 'Mahatma Gandhi Vidyamandir' in 1945 and 1952 respectively. He was a Visionary Educationist, who was greatly inspired by the life and ideology of Father of the Nation and therefore the Institution is named after him as Mahatma Gandhi Vidyamandir.

The Motto of Mahatma Gandhi Vidyamandir is 'बहुजन हिताय, बहुजन सुखाय' (The Welfare of the Masses). The main objective of the Institute has been to bring the downtrodden and socio-economically backward sections of the society into mainstream of education by providing them educational facilities. Accordingly, the Institute has been imparting quality education to the marginalized since last seven decades.

After the demise of Karmaveer Bhausaheb Hiray, Late Loknete Vyankatrao Hiray took over the responsibility of the Institution. Under his guidance, Mahatma Gandhi Vidyamandir entered into professional and Technical Education, in accordance with the changing need of the time. After his unfortunate demise, Hon'ble Smt. Pushpatai Hiray (Former Minister of Health, Maharashtra State) contributed substantially for the progress of the Institute. Hon'ble Samajshree Dr. Prashantdada Hiray, General Secretary of Mahatma Gandhi Vidyamandir (former Minister of Maharashtra State for Transport), further expanded the Institute by establishing Professional Colleges to widen the

MAHATMA GANDHI VIDYAMANDIR's

Manmad, Dist- Nashik 423104
(Autonomous)

scope of career selection and to satisfy the growing demands for Professional Courses.

From a humble beginning, Mahatma Gandhi Vidyamandir has developed into a large educational hub with more than 150 Educational institutions has bousing more than 80,000 students from pre–primary to professional colleges, Technical Institutes and Research Centres. Today, Mahatma Gandhi Vidyamandir governs 23 Professional Colleges, 13 Senior Colleges, 02 Dental Colleges, 03 Agriculture Colleges, and more than 50 Schools and Residential Schools.MGV is proud of some of the reputed educational institutions in Maharashtra such as Samajshree Prashantdada Hiray Dental College, Nashik, Institute of Industrial and Pharmaceutical Technology, Nashik, Maharaja Sayajirao Gaikwad Arts, Science and Commerce College, Malegaon and Loknete Vyankatrao Hiray Arts, Science and Commerce College, Nashik to mention a few. It has also spread its wings across other States with Rajrajeshwari Education and Research Foundation in Udaipur, Rajasthan.

Since its inception Mahatma Gandhi Vidyamandir has done path breaking work in making education accessible to socio economically backward sections of the society. Keeping the ancestral goal in mind, Hon'ble Dr. Prashant V. Hiray, General Secretary, Mahatma Gandhi Vidyamandir, Hon'ble Dr. Smitatai Hiray, Treasurer, Mahatma Gandhi Vidyamandir, Hon'ble Dr. Apoorva Hiray, Coordinator Mahatma Gandhi Vidyamandir, Hon'ble Dr. Advay Hiray Patil-Trustee Mahatma Gandhi Vidyamandir, Hon'ble Dr. Yogita Hiray, Vice Chairperson CDC and Hon'ble Dr. Sampada Hiray - Trustee Mahatma Gandhi Vidyamandir are expanding the Educational Trust leading to the new era of globalization.

Under the visionary leadership of the Management, Mahatma Gandhi Vidyamandir is committed towards imparting quality education to the masses and thus contributing to National Development.

About College

Late Karmaveer Bhausaheb Hiray, a visionary educationist and a social reformer with an acute sense of social justice envisioned education as a means of social upliftment. Subsequently, he established the renowned educational institute Mahatma Gandhi Vidyamandir in 1952 at Malegaon. The institute has spread its roots in diverse fields of education. Arts, Science and Commerce College, Manmad was founded by Loknete Vyankatraoji Hiray in 1969 with the vision to provide the students of Manmad and nearby rural regions the opportunity to pursue higher education at their doorstep. This provided the students an opportunity to excel in their respective fields of interest and pave way to their hidden potential.

The college runs different courses under Arts, Science and Commerce stream as a part of traditional education. However, the college is building a strong bond between traditional education and skilled based education. It has recently started skill based courses; Software Development and System Administration, Electronic Instruments Maintenance and Food Processing, Medical Lab and Molecular Diagnostic Technology and Banking and Financial Services under B.Voc. and Community college respectively. The college has done every effort to bring in new courses that would enable the students of rural areas to compete in the professional world. The college has recently got associated with MOOC-NPTEL/Swayam as a local chapter which offers online courses conducted by reputed IITs of the nation.

The college has 29 well qualified teaching faculties. They try at their best to make the process of teaching, learning student centric. They pursue pedagogic research for effective classroom teaching and learning leading to quality education. The college has 6 research supervisors. They guide many research scholars to pursue research to bring out innovation. The department of Economics and Marathi is about to start a research centre to address the research needs of the students. This will surely help us to build an enriched research culture. The college is likely to start a PG course in Organic Chemistry. They also have keen interest to participate in academic events at national and international levels to upgrade themselves. The college has 05 post graduate department viz. Marathi, Hindi, English, Economic and Commerce.

MAHATMA GANDHI VIDYAMANDIR'S
Arts, Science and Commerce College,
Manmad, Dist. Nashik 423104
(Autonomous)

The college was conferred upon the status of 'A' grade in the second cycle of accreditation by NAAC. It has all geared up to undergo the third cycle of accreditation to continue its efforts to maintain the mark of excellence. The college is striving hard to establish its own brand in sports. In realization of its efforts, a number of students have excelled on the National and International platform in sports. The college attempts to provide state-of-the-art sports facilities to the students.

In its social commitment, the college is keen on putting extra efforts on making the whole campus green. As a result, the campus is blooming with greenery all around it. On the similar line, the college prioritizes issues of water conservation, green and clean campus, awareness about female feticide, addiction, voting, health, etc. These issues are being addressed on a day-to-day basis under NSS. The college also contributes to the cause of nation building. The NCC unit is very unique. It has a remarkable track record to train students to become defense personnel. In 2019-20, the NCC unit has successfully trained many cadets to get into defense services.

The college is very keen on establishing a Centre for cultural excellence. This will help to identify the potential artists in students and scaffold them to become full-fledged artists. Its annual magazine 'Avishkar' addresses issues of social importance. The college keenly chooses the issues for Avishkar Magazine each year to create a platform for students, teachers, parents, alumni, etc. to put forth their views on such issues and initiate a thought-provoking discussion.

Message from The Principal's Desk

Prin. Dr. Arun V Patil

Quality, the notion is being discussed widely in every field of human affairs. The history of human evolution in a cultured society has proved it time and again that education has crafted creative and resourceful humans who contributed the nation to develop beyond expectations. Education and more importantly higher education that seems to provide the young minds to the service of the nation is being restructured and revised at different levels to ensure quality. Again, it has been the theme of majority of discussions and debates in diverse social and educational settings. We at Arts, Science and Commerce College, attempt to bring all the stakeholders of education together to wider the perspective of such discussions and debates. It is an endeavor to provide a formal dais to the researchers, teachers, students, and other stakeholders to exchange their ideas to ensure quality in education in general and higher education in particular.

Arts, Science and Commerce College, Manmad is one of the oldest colleges of Mahatma Gandhi Vidyamandir, the leading educational institute in Maharashtra. It was established in 1969 with the initiatives of Late Loknete Vyankatrao Hiray, the promoter of the institute. It came into existence out of the charity of Honorable Tukaram Barku Sonawane; the philanthropist who donated land for the college. The college follows “Bhujjan Hitay, Bhujjan Sukhay” the Motto of the parent institute in true spirit. Since its inception, the college aims to avail the opportunities of higher education to the deprived masses of the society. There has been a peer team of the great academicians and scholars who have imparted a rich academic heritage of 50 years to the college. This heritage begins with the first Principal of the college, Dr. M. S. Patil, the renowned literary writer and critic who has been recently honored with Sahitya Academy Award, the most prestigious award given by Government of India for his outstanding literary contribution.

Arts, Science and Commerce College, Manmad, Dist. Nashik 423104 (Autonomous)

Karmaveer Bhausaheb Hiray

The college is reaccredited with 'A' grade in the second cycle of NAAC. It offers UG & PG programmes in all three streams. The first PG programme of the college was introduced in 1989 and today there are 06 PG courses in the college. Keeping abreast of time, the college also offers job oriented vocational diploma and degree courses in different fields. Under B.Voc. we have degree courses in Computer Hardware, Electronic Instrument Repairing and Maintenance, Under Community College we offer Diploma courses in Food Processing Technology, Medical Laboratory and Molecular Diagnostic, Banking and Finance and English for Business and Competitive Exam. We also offer free of cost computer training for our students through a tie- up with NGO. It offers a Certificate Course in Basic Computing of six months. The college has the centre of YCMOU that facilitates opportunities of learning through Distant Education. Taking cognizance of the modern technology, we also facilitate online courses to our students with collaboration with Swayam and NPTEL. We take utmost care of availing all the central and State Govt. as well as UGC scholarship schemes to our Students.

We have an efficient Sport Department that supports' representation of our students in competitions at State and University levels. The Board of Student Development implements various useful schemes for our students. The extension activities through NSS and NCC help students to reach to the society to understand and find out solutions to the social problems. The activities of the Dept. of Extra Mural bring together all sectors of the society for better dialogue. As a part of our social welfare activity, we are connected with 24 neighboring high-schools to provide laboratory facility to them so that they can have hands on experience. Since we have more number of girl-students, we undertake to empowering women by different means like awareness campaign and special educational program for them. Even though the college is situated in rural area which has also been long affected by draught, yet it has mobilized a conducive learning environment. The campus is almost of six acres with an enriched library with e –book facility, well equipped science laboratory and Green Gym. We try to avail all facilities to our students coming from below poverty line and agriculture background.

We have a registered alumni association. It includes the dignitaries of respective position and caliber of the society. The alumni also contributes to the development of the college. Our focus has been to impart quality based education and therefore we bring together all our alumni and stakeholders to get insights from them. We follow a standard syllabus designed by the scholars and prescribed by SPPU. In future, we aspire to focus on advance research in all disciplines, advance sports facility and career oriented initiatives for our students. We are obliged by our institutional vision, mission and objectives and strive consistently to fulfill them.

Department of English

Department Profile

स्नातकोत्तर हिंदी विभाग

SALIENT FEATURE OF THE DEPARTMENT

- Activity Based Learning
- Conducts “हस्तलेखन कायशाला का आयोजन ”
- Organises “विद्यार्थी काव्यगोष्ठी का आयोजन ”
- Organises various conferences of inter languages
- Organised “अध्यापक –अभिभावक-छात्र साहित्य संमेलन”
- Visit of eminent witters/Poets in Hindi Literature
- Well-qualified and experienced teachers Quality teaching and experiential learning, ICT facilities, On Job Training and Research projects
- Curricular, Extra Curricular and Student Centric Activities,
- NET/SET and other competitive examination guidance

PROGRAM OFFERED:

Sr. No	Name of the Programme		Intake Capacity	Syllabus
1.	Under Graduate	FYBA (Autonomous)	240	
		SYBA (NEP) (SPPU)	120	
		TYBA (2019 Pattern) (SPPU)	120

DEPARTMENT OF ECONOMICS

SALIENT FEATURE OF THE DEPARTMENT:

- The Department of Economics was established in the year 1969
- Graduate, Post Graduate and Research Centre
- Well-qualified and experienced teachers
- Quality teaching and experiential learning, ICT facilities, On Job Training and Research projects
- Curricular, Extra Curricular and Student Centric Activities,
- Additional Certificate Courses
- Special guidance to weaker students
- NET/SET and other competitive examination guidance
- Organizes of National, State level Seminars, conferences, webinars, workshops & guest lectures
- Collaborations, Linkages and MoUs with reputed institutions
- Publication of books, Research papers in reputed journals & patents
- There are 5 Research Guide and 12 students pursuing Research at Center.
- SWASYAM NPTEL Local Chapter for MOOC Courses

PROGRAM OFFERED:

DEPARTMENT OF CHEMISTRY

SALIENT FEATURE OF THE DEPARTMENT:

- The department offers undergraduate and post graduate courses. The department is located on the first floor of the main building with spacious classrooms and well equipped laboratories.
- The M.Sc. Organic chemistry programme is started from the academic year 2020-21. The intake capacity of the M.Sc. programme is 48.
- Five faculties are working in the department, three of them hold Ph. D. degrees and Dr. B. S. Desale is recognized as Ph.D. Guide of SPPU, Pune. Two faculties are persuing their Ph.D. degrees from SPPU, Pune.
- Department had published two international patents and more than 78 Research papers are published by the faculty members. almost three minor research project completed by department.
- Department organizes "CHEMIAD" Examination, Periodic Table Competition and Industrial Visit every year.
- Department of Chemistry organized lecture series on NET/SET, OJT, Seminars, Research Projects and other Competitive Examinations for UG and PG students.

DEPARTMENT OF ZOOLOGY

Salient Features of Zoology Department:

1. The department provides a strong foundation in Zoology through its B.Sc. program. It emphasizes modern scientific advancements and interdisciplinary learning.
2. The department offers advanced learning environments. It has well-equipped laboratories, a Zoology Museum, and comprehensive resources with ICT facilities.
3. The department boasts highly qualified faculty members who are Ph.D. degree holders. Dr. J.D. Vasait is a Recognized Research Supervisor for Ph.D. Studies by SPPU, Pune. Also provides opportunities for student involvement in innovative projects and fosters a culture of research. It is known for its academic rigor and research.
4. The department enriches the student experience through Experiential learning viz, field trips, workshops, seminars, internship & On Job Training programs.
5. The department is committed to the overall growth of students by encouraging them to participate in various academic and extracurricular activities- environmental awareness and conservation with ethical practices.
6. The department supports students' career aspirations, placement, and alumni mentorship.

Programme Offered: (Bachelor of Science in Zoology)

**DEPARTMENT OF PHYSICS****Why PHYSICS?**

Physics has a broad range of industrial applications and leads to diverse job opportunities across multiple sectors. Here are some key industrial applications and job opportunities in physics:

➤ Industrial Applications of Physics: -

- **Electronics & Semiconductor Industry** – Physics principles are used in designing microchips, sensors, and electronic devices. . Electronics & Semiconductors, Design of transistors, ICs, MEMS/NEMS devices, Materials characterization (XRD, SEM, TEM), Device fabrication and testing (CMOS, GaN, SiC).
- **Energy Sector** – Nuclear, solar, and wind energy industries rely on physics for efficient energy generation and storage. Solar cells and photovoltaic systems, nuclear power (reactor design, radiation safety), Battery and fuel cell development.
- **Material Science & Nanotechnology**: - Development of smart materials and nanomaterials, thin film deposition and characterization, Surface science and coating technologies
- **Medical Physics** – Imaging technology such as MRI, CT, Ultrasound, radiation therapy, and medical imaging, dosimetry, Biomedical instrumentation are all based on physics,
- **Automotive and Aerospace & Defense** – Physics is crucial for aerodynamics, propulsion systems, and satellite technology, missiles and rocket technology, Aerodynamics, fluid dynamics, propulsion systems, Sensor and control systems, Material fatigue and testing
- **Nanotechnology & Material Science** – Development of new materials for electronics, medicine, and construction.
- **Computational Physics**: - Simulation and modelling (e.g., CFD, FEM), Data analysis in high-energy physics, Quantum computing and algorithm development, microcontroller and its application in home devices and industrial automation, smart instrumentation.,
- **Quantum Computing & AI** – Quantum mechanics is revolutionizing computing and artificial intelligence, Robotics, data analysis, and business analysis,
- **Optics & Photonics** – Used in fiber optics, lasers, and imaging technologies. Lasers, Fiber optics, and photodetectors, Optical communication and imaging systems, Holography and optical instrumentation
- **Geophysics & Environmental Science** – Helps in earthquake prediction, climate modeling, and resource exploration.

➤ Your Role in Industry After Physics

- R&D Scientist / Physicist (Electronics, Energy, Optics)
- Semiconductor Device Engineer
- Data Analyst / Computational Physicist
- Material Scientist / Nanotechnologist
- Radiation Physicist (Hospitals, Nuclear Plants)
- Laser Engineer / Optics Specialist
- Quality Control / NDT Expert
- ONGC Geologist/ Field Engineer
- Forensic Laboratory Researcher/Scientist.
- Remote Sensing and Satellite Researcher/ Scientist
- Telecommunication Industry as a Engineer/ Technician/ Officer.
- **Technology & Software**
 - Machine Learning/AI roles (especially with computational physics background)
 - Software Developer in scientific computing
 - Simulation Engineer
- **Academia & Research**
 - Research Assistant / PhD scholar
 - Faculty/Teaching roles
 - Positions in national labs (ISRO, BARC, DRDO, CSIR, etc.)

➤ Public Sector & Government

- Scientific Officers in BARC, ISRO, DRDO
- Meteorological Department (Weather Prediction)
- Environmental Physics (Pollution, Climate Studies)

➤ Other Emerging Areas

- Quantum Technology startups
- Photonics and integrated optics companies
- Energy storage and sustainability ventures.

➤ SALIENT FEATURE OF THE DEPARTMENT:

- Well-qualified and experienced teacher.
- Quality teaching and experiential learning, ICT facilities, On Job Training.
- Curricular Restructures Keeping Eyes on Employability of Students.
- Extra- Curricular and Student Centric Activities,
- Indian Space Research Organization (IIRS) Nodal Centre.
- Gap Analysis Carried out every Year and Offering Additional Certificate Courses to bridge the Gap between Curriculum and the local industrial need.
- Special guidance to weaker students
- Curriculum designed to support students in competitive exam preparation.
- Motivating students for to participate in research activities
- Collaborations, Linkages and MoUs with reputed institutions.

LIBRARY

Introduction

The library plays a central role in enhancing the quality of academic and research environment in Education institutions. Our college has a well-maintained library, having around 46683 books with latest magazines and Journals. Area of the Library is 2585.4 sq. feet. The library used Vriddhi V2.1 ILMS till 2020-21. However, for the year 2021-22 and 2022-23, the library has maintained the data manually. The new ILMS Campus 360 Library Software is installed in Feb. 2023 and will be fully functional soon. Reading room facility is also available with individual study zones for staff members as well as for students. The College library has a linkage with Panchshil Sarvajanik Vachanalay, Manmad. Under the NLIST Programme an access to 6000+ e-Journals and 31,35,000+ eBooks are made available to readers. This facility is being provided to the students & staff members. The library timing is from 9.00 A.M. to 5.30 P.M.

Special Features

- Library orientation to newly admitted students
- Open access for college students & faculties
- Book home lending facility
- Students I Card service
- Reading room Capacity for 50 Students
- Special book collection to Competitive examinations
- Internet Facility for all students & faculties.
- College E-content Repository
- Circulation of newly added book list to concern departments
- News Paper cuttings of college activities and special occasions
- Book Exhibition on occasion of special events
- Workshop / Training Programs on "How to access E-resources through N-LIST Programme & College E-content Repository"
- Linkage with Panchshil Sarvajanik Vachanalay, Manmad
- Dnyan Vidnyan Vachan Chalval

Department of Physical Education and Sports

SALIENT FEATURE OF THE DEPARTMENT:

Our Vision

We are committed to meet all the physical and mental health and fitness needs required for the all round development of personality of the students and to have a transformative impact through diverse programmes that inspire leadership, teamwork, wellness, and resilience and offer students, staff and faculty the opportunities to develop the intellect, ethics, moral and character needed to lead a meaningful life in the society.

Our Aim

To provide skilled Leadership and adequate facilities, which afford an opportunity for the every student to act in situations which are physically, mentally, stimulating, satisfying and socially sound.

Our Mission

We are dedicated to promote and foster sports and physical culture of high quality through proper training and coaching, serve the needs of the society by encouraging, generating and promoting excellence in sports performance, research and extensive activities in the field of various Games and Sports.

The College Gymkhana Provides, at present, for the following games and sports on the premises of the college.

- Standard Gymkhana
- Green gym
- Cricket Net
- Kabbadi court

NATIONAL SERVICE SCHEME

Introduction to National Service Scheme (NSS)

The National Service Scheme (NSS) is a flagship program under the Ministry of Youth Affairs and Sports, Government of India. Rooted in Mahatma Gandhi's philosophy of "Education through Service", NSS aims to develop a sense of social responsibility, community engagement, and leadership among students.

At MGV's Arts, Science and Commerce College, Manmad, the NSS unit plays a vital role in bridging the gap between students and society, providing opportunities to participate in nation-building through voluntary service.

Aim of NSS

The primary aim of NSS is to develop the personality and character of students through community service, thereby creating socially responsible and sensitized citizens.

Motto

"Not Me, But You"

This reflects the essence of selfless service and the spirit of placing the community's needs above personal interests.

Objectives of NSS

- To understand the community in which the students work.
- To identify the needs and problems of the community and involve students in problem-solving.
- To develop a sense of social and civic responsibility among students.
- To enhance students' skills in leadership, communication, and teamwork.
- To foster a sense of national integration and social harmony.
- To promote environmental awareness, cleanliness drives, and health-related campaigns.
- To engage in disaster relief, awareness campaigns, and relief work.
- To work for the upliftment of underprivileged sections of society such as women, children, differently-abled, and economically weaker groups.

Competitive Examination & Placement Cell

Academic Year: 2025-26

The institution has constituted a Competitive Examination Cell & Placement Cell to prepare the students to face the different competitive examination like UPSC / MPSC / NET / SET / Banking etc. Through this cell, the college organizes various activities for the development of the students. The Cell conducts placement drives, workshops, special lectures, different competitions and provides the quality ambience to increase the students' success rate to enter administrative services. Also, we have facility of Career Katta (करीअर कट्टा) an Initiative of Department of Higher and Technical Education, Government of Maharashtra and Maharashtra Information Technology Support Centre Maharashtra Information Technology Support Center (MITSC).

SALIENT FEATURE:

- Highly qualified and experienced staff
- Spacious and well equipped library
- Campus placement drive
- Special Coaching and Career guidance
- NET-SET Guidance Workshop
- MPSC Comprehensive guidance programme
- UPSC Foundation programme
- Other State government examination guidance
- Competitive examination alerts
- Consistent tradition of successful students
- Comprehensive and quality study material
- Online Lecture Facility
- MoUs with reputed institutions and industries

NATIONAL CADET CORPS

INTRODUCTION

The National Cadet Corps (NCC) has its genesis in the 'University Corps', which was created under the Defense Act, 1917 with the object to make up the shortage of the Army. In 1920, when the Indian Territorial Act was passed, the 'University Corps' was replaced by the 'University Training Corps (UTC)' in 1942; the UTC was renamed as the 'University Officers Training Corps' (UOTC). The need to create a youth organization at National level to train the young boys and girls to be better citizens and future leaders of our great country in all walks of life, including Defense forces, was rightly realized by our leaders. A Committee under Pandit HN Kunzru was set up in 1946 at the behest of our first Prime Minister, Pandit Jawaharlal Nehru. The NCC came into existence on 16th July, 1948 under the NCC Act XXXVI of 1948 under the Ministry of Defense (MOD)

ABOUT COLLEGE UNIT

- NCC Unit of this college comprising of 53 cadets came into existence in 1991
- The unit is affiliated with 50 Maharashtra Battalion NCC, Aurangabad.
- The Unit is well equipped with all the infrastructural facilities: including NCC Office, Store Room, NCC Class Room, Parade Ground, Gymkhana etc.
- Well trained Associate NCC Officer commissioned at OTA Kamptee with the rank of 'Lieutenant'.
- Placements in the Indian Army.
- Appreciation of cadets by Maharashtra NCC Directorate, Battalion & Institute.
- Participation of cadets in different Centrally Organized Camp.
- From academic year 2019-20 33% seats reserved for girls students as per government policies.

विद्यार्थी विकास मंडळ

SALIENT FEATURE OF THE DEPARTMENT

- सावित्रीबाई फुले पुणे विद्यापीठाच्या विद्यार्थी विकास मंडळ यांच्या तर्फे महाविद्यालयत राबावण्यात येणारे विविध उपक्रम :-
- “कर्मवीर भाऊराव पाटील कमवा व शिका योजना” महाविद्यालयत राबावण्यात येते.
- महाविद्यालयतील गरजू, होतकरू विद्यार्थ्यांना कमवा व शिका योजनेत प्रवेश देण्यात येतो.
- प्रत्येक विद्यार्थ्याला एका दिवसासाठी 2 तास या प्रमाणे काम देण्यात येते.
- कमवा व शिका योजनेत काम करणार्या विद्यार्थ्यांना प्रत्येक तासाला 50 रुपये प्रमाणे मानधन देण्यात येते.
- महाविद्यालयतील विद्यार्थीनीसाठी “निर्भय कन्या अभियान योजना” राबावण्यात येते.
- इतर उपक्रमातर्गत महाविद्यालय स्तरीय , तालुका स्तरीय, जिल्हा सतरीय कार्यशालेचे आयोजन करण्यात येते.

INTERNAL QUALITY ASSURANCE CELL

Internal Quality Assurance Cell

Strategies of IQAC

1. IQAC shall evolve mechanisms and procedures for
2. Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
3. Equitable access to and affordability of academic programmes for various sections of society.
4. Optimization and integration of modern methods of teaching and learning.
5. The credibility of assessment and evaluation process.
6. Ensuring the adequacy, maintenance and proper allocation of support structure and services.
7. Sharing of research findings and networking with other institutions in India and abroad.

Action Points of IQAC

The functions and responsibilities of IQAC includes the following 10 Action Points.

1. Development and application of quality benchmarks / parameters for various academic and administrative activities of the institution.
2. Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
3. Collection and analysis of feedback from all stakeholders on quality-related institutional processes.
4. Dissemination of information on various quality parameters to all stakeholders.

Anti-ragging

➤ PROHIBITION OF RAGGING IN THE COLLEGE

- 1) Anti-Ragging Committee is constituted according to the guidelines given in UGC Regulation on curbing the menace of ragging in educational institutions, 2009.
- 2) Information regarding total prohibition of ragging in the college premises is displayed by using banners, flex boards and notices. It includes that ragging is totally prohibited in the college and anyone found guilty of ragging and/or abetting ragging, whether actively or passively, or being a part of conspiracy to promote ragging, is liable to be punished in accordance with the UGC regulations as well as under the provisions of any penal law for the time being in force. Contact numbers of Anti-Ragging Committee members are displayed using banners, flex boards and notices.
- 3) The same information is also included in prospectus of the college and college website.
- 4) Telephone numbers of the Anti-Ragging Helpline and all the important functionaries in the college are included in the prospectus, banners, flex boards and notices.
- 5) Filled and Signed Affidavits are collected at the time of admission to any class in the college from the students and parents regarding non involvement in any form of ragging in and outside the college campus.
- 6) Meeting of Anti-ragging committee is to be held at the time of commencement of the academic session and at the end of the academic session.
- 7) Special lectures and guidance are arranged for the students to prohibit ragging in the college
- 8) Induction programmes are arranged for the newly admitted students in the college where all sorts of information are provided regarding anti-ragging.
- 9) Anti-ragging squad is established for raids and frequent surprise visits in the college campus to maintain healthy interpersonal relations among students and to prevent any kind of ragging.
- 10) If any kind of ragging is observed or complaint regarding ragging in any form filled by any student of the college the Anti-Ragging Committee will take action against it in consultation of Principal of the college.
- 11) If necessary, the Principal of the college will provide information to the local police and local authorities regarding ragging cases in the college premises.

Women Grievance Redressal Cell

- Women Grievance Redressal Cell has been constituted for redressal of the female students, staff and faculty members in the college campus. The Women Grievance Redressal Cell is watchful all the time to present any kind of abuse towards them. If they face any harassment from any co-working staff or workers, they can complain in the college's Women Grievance Redressal Cell. The members will look into the issues, gather the evidence and take the necessary action against the guilty. The cell also focuses on preventing the harassment by using secret monitoring services, which keep a keen eye on the entire campus. For gender equality and gender justice in all its intervention and practices Women Grievance Redressal Cell established under THE NATIONAL COMMISSION CELL FOR WOMEN ACT, 1990 (Act No. 20 of 1990) of Govt. of India
